**August 4, 2016**  
**Policy & Procedure Committee Chair Report**

---

Chair Brown and Commissioners,

The Policy and Procedure Committee held its July meeting on July 26, 2016. Commissioners Farah, Foroozan, and Singleton were present, as well as Legal Analyst Ryan Patrick.

**Mental Health Workgroup**

Commissioner Singleton provided the Committee with an update on the mental health workgroup. Commissioner Singleton met with Assistant Chief Arneson to discuss MPD involvement in the workgroup and had a phone conference with Dr. Sarah Abbott, who kindly offered advice on obtaining funding.

**Review of MPD Policy and Procedure Manual**

Commander Case returned from an extended training and work on this project can begin shortly.

**Framework for Chief's Performance Review**

Commissioner Foroozan met with Legal Analyst Patrick to develop the key variables for the performance review. The Committee discussed frequency of seeking public feedback, measuring the Chief's actions on PCOC recommendations, and measuring the Chief's disciplinary record. Commissioner Foroozan plans to present that draft at the August PCOC meeting.

**Issue Tracking Queue**

Cases that were referred to the committee were added to the issue tracking queue, including Case 16-06-07, under technology malfunction and de-escalation, and Case 16-01-06, under barriers to complaint filing (failure to provide badge number).

Sincerely,

Jennifer Singleton  
PCOC Policy & Procedure Committee Chair
